OFFICE OF LEGISLATIVE COUNSEL

Friday - 26 January 1968

- 25X1 1. [] In response to a call from Mr. Robert Lochrie, Administrative Assistant to Representative Paul Rogers (D., Fla.), I picked up from his office a copy of Volume 1, Number 1, of a newspaper titled [], dated January 23, 1968. This newspaper, which appears to be what might be called an "underground" newspaper carries a two column, one-eighth page, Central Intelligence Agency recruiting ad on page two. A by-line article on page five indicates in part, "The [] --which is always hard up for coins--appeals to the CIA for a nice fat subsidy. In consideration, we will plan to run a recruitment ad in every []--just like the one we are running now." Mr. Lochrie's secretary advised that he wanted to bring this to our attention. As Mr. Lochrie was away from the office during the remainder of the day, I plan to talk to him in the morning. Office of Personnel has been notified.
- 25X1 2. [] Met with Mr. Bob Michaels, House Appropriations Committee staff, who advised that at least one and possibly two additional members of the Subcommittee may desire transportation on Wednesday morning. I will work out the details with him on Monday.
- 25X1 3. [] Met with Frances Christy, Immigration and Nationality Subcommittee staff, House Judiciary Committee, who
25X1 advised that [], is not scheduled for action by the Committee. No report has been requested by the sponsor. The bill originally was intended to provide assistance, if needed, for entrance into the United States.
